CLIMATE CHANGE

ADULT NONFICTION – 3RD FLOOR

Atmosphere of Hope: Searching for Solutions to the Climate Crisis – 363.738 Fla

Outlines a fast-approaching climate crisis while drawing on the latest scientific findings to outline promising clean technologies involving soft geo-engineering.

Unstoppable: Harnessing Science to Change the World – 363.738 Nye

Bill Nye sees today's environmental issues not as insurmountable, depressing problems but as chances for our society to rise to the challenge and create a cleaner, healthier, smarter world.

An Inconvenient Sequel: Truth to Power... - 363.7387 Gor

Details how the future of human civilization is under threat--and offers concrete advice for making your voice heard in the fight to solve the climate crisis at a moment when the solutions we need are emerging around the world.

Global Weirdness: Severe Storms, Deadly Heat Waves, Relentless Drought... - 363.7392 Glo

An accessible explanation of climate change summarizes its science while sharing insights into its implications for the future, answering key questions from the role of fossil fuels to the economic costs of reducing carbon emissions.

The Water Will Come: Rising Seas, Sinking Cities, and the Remaking... - 551.458 Goo

Acclaimed journalist Jeff Goodell employs fact, science, and first-person, on-the-ground journalism to show vivid scenes from what already is becoming a water world.

DVDS – 2ND FLOOR

An Inconvenient Sequel: Truth to Power – DVD 363.7387 Inc

Discusses the progress around the world that addresses climate change and the use of renewable energy.

Thin Ice – DVD 551.6 Thi

Climate science has been coming under increasing attack. In response, geologist Simon Lamb took his camera to his climate science colleagues around the world to find out what's really going on.

FINDING BOOKS AND OTHER LIBRARY MATERIALS

Dewey Decimal browsing numbers: 363.73, 551.6

In addition to reference books, you may want to search for other books and materials (videos, audiobooks, etc.) on your topic. You can access the Library catalog from the Library or from home by going to www.wtpl.org. A good subject search is **climate changes, paleoclimatology, and global warming**.

EBOOKS

Visit **EBSCOhost** (www.wtpl.org/research) or <https://wtpl.overdrive.com> to search the thousands of eBooks the Library has to offer. Library card required. Contact an Adult Services Librarian for additional details.

ARTICLES

The following sources can be used to find magazine articles dealing with your topic:

- **EBSCOhost and General OneFile** - Access from the Library or at home using your library card number at www.wtpl.org. Search for full-text articles in these online databases using your choice of keywords. You can limit the search to a certain year or even a certain magazine.
