Learn how to:

- prepare for virtual and in-person job interviews no matter your career level (networking, attire, etc);
- research employers and request your desired salary;
- interpret and answer the most common interview questions;
- follow up after the interview and ask for feedback

Ashley Watkins is a former corporate recruiter of 15 years and handled talent acquisition for multimillion-dollar banking, manufacturing, and nonprofit organizations. Today, she partners with frustrated job seekers to teach them leading-edge job search strategies for landing more interviews and six-figure job offers at Fortune 500 brands. Ashley has earned several industry accolades, including 2019 LinkedIn Top Voice (Careers and Job Search Experts), 2019 Top 8 Resume Writing Services - The Balance Careers, and Jobscan's 2019 Top Job Search Experts to Follow on LinkedIn. She also served as a board member of the National Resume Writers' Association for 2 years.
